Preparing for TSA

COURSE INFORMATION

- ✓ 100% online
- ✓ Delivered in English
- ✓ Suitable for ages 16+
- ✓ EtonX certificate

The TSA is required for entry to certain courses and the results can determine whether you get an offer.

Our Preparing for the TSA course will help you familiarise yourself with all aspects of the assessment, as well as developing your ability to think through problems and arguments critically and logically. You'll also have the chance to complete three mini timed tests and a full-length timed test to identify the areas you need to work on ahead of the assessment.
