22 GENERAL

22.1 We may assign, transfer, sub-contract or otherwise deal with our rights and/or obligations under these Terms providing, if you are a consumer, that such action does not serve to reduce the guarantees benefiting you under these Terms. You may not without our prior written consent assign, transfer, sub-contract or otherwise deal with any of your rights and/or obligations under these Terms.

22.2 If a provision of these Terms is determined by any court or other competent authority to be unlawful and/or unenforceable, the other provisions will continue in effect. If any unlawful and/or unenforceable provision of these Terms would be lawful or enforceable if part of it were deleted, that part will be deemed to be deleted, and the rest of the provision will continue in effect.

22.3 Except for the rights of EtonX's licensors including Eton College, set out in these Terms, these Terms are for our benefit and your benefit, and are not intended to benefit or be enforceable by any third party. The exercise of the parties' rights under these Terms is not subject to the consent of any third party.

22.4 Subject to clause 18.1, these Terms, together with the EtonX [Safeguarding Policy](#), Tutor Recruitment Policy, Student Minimum Requirements and Privacy Policy, shall constitute the entire agreement between you and us in relation to your use of the Services and shall supersede all previous agreements between you and us in relation to your use of the Services.

Part B – Applies only to users who buy courses from EtonX directly (excluding those who have a separate written agreement with EtonX for the purchase of courses). Part B does not apply to Users

who buy Courses from third parties such as distributors. Part B does apply to Users who buy Courses from EtonX via an agent of EtonX.

23 PAYMENT

23.1 Pricing

1. To purchase a Course, you must pay the applicable price after you have registered for a User Account on the Course Site. The contract between us for the supply of the Course shall come into force when we provide you, or any Student nominated by you, with access to all or part of those Course materials. The price of Courses is determined by EtonX. You agree to pay us the full fees in cleared funds prior to the start of the Course.
2. Unless otherwise stated, all course fees are quoted in US dollars (\$).
3. Due to different local taxes, we may choose to levy a charge to cover local taxes applicable to your country.
4. We may choose to levy a charge to cover transaction fees levied by your card provider.
5. Our Courses are offered at the prices set out on the Marketing Site.

23.2 Promotions

1. From time to time, EtonX will offer promotions on Courses, at its discretion. If you access pre-paid, gift, promotional or sponsored products or services for any Course, we will take the payment at the discount rate offered by EtonX and not the retail price of the Course shown on the Marketing Site.
2. If one Student receives a discount, it does not entitle any other Student to receive the same discount.
3. Discounts, free access to Courses and other promotions are time dependent and can be offered on a bespoke, Student-by-Student basis, at the discretion of EtonX.
4. We reserve the right to not offer the same prices to all our Students.
5. You therefore accept that Students on the same Course as you may have paid a different price to the price paid by you, or may not have paid at all for the Course.
6. We reserve the right to vary our prices in different territories.
7. We reserve the right to vary our pricing for future customers to the Service.
8. We reserve our right to offer additional services or content at any time for free or at a charge to a segment of our Users where we deem it to be commercially appropriate, without notifying all Users.

9. In the unlikely event of an administrative error resulting in an incorrect price being displayed on a Site, we reserve the right to correct the price.
10. We reserve the right to withdraw a promotion or change any of the terms (including the availability and end date) of a promotion at any time without notice to you.

23.3 **Payment Terms**

1. We reserve the right to limit the purchase and sales of the Service to any person, geographic region or jurisdiction. We may exercise this right on a case-by-case basis.
2. Payment can be made using debit and credit cards only. We are unable to accept cash, bank transfers or cheques. You will be required to set up an account through the Site using either a debit or credit card. Where your payment cannot be processed by our payment processing provider, we reserve the right to limit our services to you until the payment is settled.
3. Your card details will be protected at all times in accordance with good industry practice. Payments are processed directly through a secure system via our payment services provider, Stripe.
4. If you have asked Stripe to remember your debit or credit card details in readiness for your next purchase, they will securely store your payment details on their system. These details will be fully encrypted and only be used to process transactions which you have authorised.
5. Authority for payment must be given at the time of placing your order. The cost of your purchase using Stripe includes a transaction fee that is payable to Stripe. For more details see this link: <https://stripe.com/gb/pricing>.
6. If you dispute any payment made to us, you must contact us immediately and provide full details of your claim.
7. If you make an unjustified credit card, debit card or other charge-back then you will be liable to pay us, within 7 days following the date of our written request:
 1. an amount equal to the amount of the charge-back;
 2. all third party expenses incurred by us in relation to the charge-back (including charges made by our bank or your or our payment processor or card issuer);
 3. an administration fee of US\$ 25.00 including VAT; and
 4. all our reasonable costs, losses and expenses incurred in recovering the amounts referred to in this clause 23.3.7

(including without limitation legal fees and debt collection fees),

and for the avoidance of doubt, if you fail to recognise or fail to remember the source of an entry on your card statement or other financial statement, and make a charge-back as a result, this will constitute an unjustified charge-back for the purposes of this clause 23.3.7.

8. If you owe us any amount under or relating to these Terms, we may suspend or withdraw the provision of Services to you.
9. We may at any time set off any amount that you owe to us against any amount that we owe to you, by sending you written notice of the set-off.

23.4 **Consumer Refund Policy**

1. This clause 23.4 applies if and only if you offer to contract directly with us, or contract directly with us, as a consumer – that is, as an individual acting wholly or mainly outside your trade, business, craft or profession. As with all of Part B, it does not apply if you buy a Course from a third party such as a distributor.
2. You may withdraw an offer to enter into a contract with us through the Course Site, or cancel a contract entered into with us through the Course Site, at any time within the period
 1. beginning upon the submission of your offer; and
 2. ending at the end of 14 days after the day on which the contract is entered into,

subject to clause 23.4.3, you do not have to give any reason for your withdrawal or cancellation.

3. You want us to begin the provision of services before the expiry of the period referred to in clause 23.4.2 and you acknowledge that, if we do begin the provision of services before the end of that period, then:
 1. if the services are fully performed, you will lose the right to cancel referred to in clause 23.4.2;
 2. if the services are partially performed at the time of cancellation, you must pay to us an amount proportionate to the services supplied or we may deduct such amount from any refund due to you in accordance with this clause 23.4.
4. In order to withdraw an offer to contract or cancel a contract on the basis described in this clause 23.4, you must inform us of your decision to withdraw or cancel (as the case may be). You may inform us by means of any clear statement setting out the decision. In the case of cancellation, you may inform us using the cancellation

form [here](#). To meet the cancellation deadline, it is sufficient for you to send your communication concerning the exercise of the right to cancel before the cancellation period has expired.

5. If you withdraw an offer to contract, or cancel a contract, on the basis described in this clause 23.4, you will receive a full refund of any amount you paid to us in respect of the offer or contract, except as specified in this clause 23.4.

23.5 **Course Cancellation refund**

If we cancel a Course before it is completed we will pay you a refund proportionate to the incomplete part of the Course. For example, if we cancel a 7 week Course 3 weeks before it is complete, we will refund you 3/7 of the price.

23.6 **Other Refund Rights**

We will offer you a full refund and our contract for the supply of such Course will be void (meaning neither of us will have any further rights in relation to such a void contract) if:

1. you do not meet the Student Minimum Requirements of a Course with Live Online Classes participation (click [here](#) to read them); or
2. within four weeks of receipt of payment, we cannot find an appropriate matching time slot for any group Live Online Classes for your Course.

However, we will not pay you any refund if we end your Course participation because you have breached these Terms or if the content of your application for the Course was inaccurate with respect to the Student Minimum Requirements.

23.7 **Refund Process**

1. We will refund money using the same method used to make the payment, unless you have expressly agreed otherwise. In any case, you will not incur any fees as a result of the refund.
2. We will process the refund due to you without undue delay and, in the case of cancellation by you under clause 23.4, within the period of 14 days after the day on which we are informed of the cancellation.
