## What is a Tutor Group course?

Our Tutor Group courses take place over 7 weeks, with paced weekly learning with your tutor group of up to 7 other students and an EtonX tutor. Students gain access to 7–10 hours of highly engaging and interactive learning materials, in addition to 7 online group classes every week where they engage in guided discussions, role-play and collaborative tasks. Upon completion students will receive a verifiable and graded certificate.

## Who can take a Tutor Group course?

Our online skills courses are for students aged 14–20 to help enhance their academic performance today and prepare them for a successful future in sixth form, at university and in the workplace.

EtonX courses delivered in our Virtual Classroom allow teenagers from around the world to continue interacting online, in small groups, and collaborate on tasks together. Our international community of future leaders is formed of students from over 60 countries so far!
